Warren Pays Tribute to the Memory of Vietnam Veterans from Michigan

I want to personally invite you and your friends, family and neighbors to visit the Michigan Vietnam Veteran's Traveling Memorial on display at Warren City Hall September 30 – October 6.

The Memorial is dedicated to the memory of the 2,654 men and women from Michigan who paid the ultimate sacrifice in the Vietnam War. It sends the message that "we will not forget" those who did not come home from the divisive war and are listed as killed in action or still listed as missing in action. There are currently 49 soldiers from the State of Michigan who have not yet returned home. It is a memorial for those who have been honored with the words, "on behalf of a proud and grateful nation...". Two members of my Hazel Park High School cross country team, including the captain, were killed in the Vietnam War.

The wall is sponsored by the Vietnam Veterans of America – Chapter 154.

Veterans, especially those who served during wartime, deserve special recognition by all Americans.

As mayor, I have initiated and sponsored city hall tributes to veterans of the following wars:

- World War II
- D-Day Tribute
- Korean War
- Vietnam War
- Gulf War
- Iraq War
- 70th Anniversary of the end of World War II

At the annual State of the City Address on June 5, I mentioned that the next day, June 6, was the 75th Anniversary of D-Day in World War II.

"Visit the Vietnam Veteran's Traveling Memorial at City Hall September 30 - October 6"

- Mayor Jim Fouts

D-Day, also called "Operation Overload," is the name given to the landing of 160,000 Allied troops in Normandy, France on June 6, 1944. My mother's brother was killed in the D-Day Invasion.

The D-Day invasion involved 5,000 ships carrying men and vehicles across the English Channel, as well as 800 planes dropping over 13,000 men in parachutes. An additional 300 planes dropped bombs.

More than 100,000 Allied troops made it to shore that day. It turned out to be the turning point in World War II.

D - Day became part of Tom Brokaw's Greatest Generation and was the inspiration for the movie "Saving Private Ryan" and for "The Longest Day" starring John Wayne.

A special invited guest at the State of The City was retired Warren City Attorney, Emil Cardamone, who was part of the D-Day invasion force. Emil was one of the best city attorneys in Warren's 62-year history, along with Ethan Vinson, our present city attorney. Emil is a dynamic 96-year-old who is physically fit and mentally alert. He drove himself to the event.

For more information about the Michigan Vietnam Veterans Traveling Memorial coming to Warren, call 586-574-4538.

I applaud all of our veterans for protecting our freedom.

James R. Fouts

COUSINO GRADUATE WINS AWARD TO TEACH ABROAD

Plans to teach English to students in the Slovak Republic.

A Central Michigan University senior from Warren has been awarded a Fulbright U.S. Student Grant to teach English in the Slovak Republic.

Grace Pawluszka, a music education major with a minor in business administration, worked with CMU’s National Scholarship Program and faculty mentors for the School of Music to complete her application. She is the daughter of Paul and Ann Pawluszka of Warren and attended Cousino High School in Warren.

Each year, fewer than 2,000 U.S. students, artists and young professionals receive Fulbright grants to study, conduct research and teach English abroad. Fulbright student programs are offered in more than 140 countries around the world. Students are selected based upon their merit, leadership and cultural competency. Pawluszka’s experience and family ties to the Slovak Republic made her a natural choice for the grant.

“I visited the country on a family trip when I was younger and returned last summer to study abroad where I completed a program focused on Carpatho-Rusyn language, culture, and history,” Pawluszka said via email. “While in Europe, I also visited Poland, Austria, Italy, and Croatia. In the summer of 2017, I studied abroad in New Zealand and also visited Fiji. These global experiences piqued my interest in studying and understanding other cultures.”

Pawluszka plans to pursue a career as either a music educator or a business professional in the music industry, roles which require significant collaboration with people from diverse backgrounds.

“I felt that the Fulbright program would offer me an international teaching experience that would help me develop a global and cultural awareness as an educator,” she said. “This is a unique program that celebrates cultural exchange.”

Pawluszka hopes that by winning the grant, she will be able to help young people in the Slovak Republic develop more opportunities in the future.

“I will be able to teach students English. This second language may open countless opportunities for them to discover and appreciate our global community,” she said. “The Fulbright legacy is rooted in fostering international relationships between the United States and other countries. This award will allow me to continue fostering our relationship with a country that is very dear to me and will hopefully continue to be prosperous with the U.S. as well.”

FOOD SERVICES BEST MANAGEMENT PRACTICES

WHAT IS STORMWATER?

Rainwater and snow melt that flows across parking lots, streets and other solid surfaces, picking up pollutants (salt, oils, grease, fertilizer, pet waste) as it flows into storm drains. Storm drains lead directly to our local rivers and streams.

HOW DO RESTAURANTS CONTRIBUTE TO STORMWATER POLLUTION?

- Dumping mop wash water, rinsing mats & kitchen equipment outdoors or down a storm drain
- Poor dumpster management
- Improper management of FOGs.

Best Management Practices (BMPs): Behaviors and practices used by individuals to prevent or reduce stormwater pollution impacts.

FOGs

Don't discharge Fats, Oils & Grease (FOG) down sink drains, sinks, or storm drains.

GARBAGE BINS

Be sure garbage cans, dumpsters and grease collection bins are leak free, and covered when not in use.

WASTEWATER DISPOSAL

Dispose of wastewater containing fats, oils or grease into grease trap or interceptor. Maintain trap or interceptor.

EDUCATE STAFF

Post educational materials for employees.
Label all storm drain: "Dump No Waste, Flows to River".

PROPER WASHING

Wash mats somewhere that drains to a sanitary sewer area.
Do NOT wash mats or equipment outside.

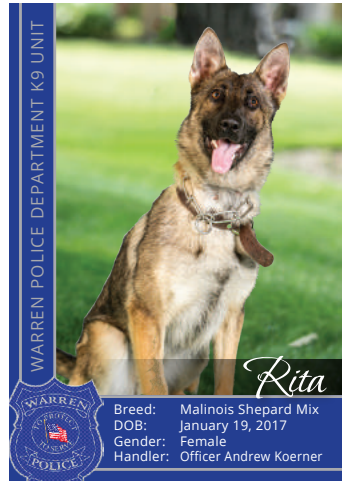

GREASE DISPOSAL

Pour cooled grease into a large garbage can or container.
Once grease has solidified, dispose of it with regular garbage.

THANK YOU NOTES

Dear Mayor Fouts,

Thank you so much for cleaning out the rats in our neighborhood which were a result of the mess on I-696 near Mound. Keep up the good work for decent neighborhoods.

– Jim and Clara Garety

Mayor Fouts,

My wife, Judy, and I attended the Silver Banner event today at city hall, and I want to thank you, Mayor Fouts, Amanda and others for preparing, hosting and participating in this program. It gave us, the attendees, the opportunity to share with veterans from WWII, Korea, Vietnam and the Gulf War and feel the appreciation of all of you and each other.

- Bill Marin

Dear Mayor Fouts,

Thank you so much for your continued support with helping me spread awareness for, not only my daughter, Isabella, with Pitt Hopkins syndrome, but for everyone living with a rare condition or disease. It was a beautiful sight to see Warren City Hall lit up pink, blue and green! In addition, thank you for taking time out of your busy schedule to meet with my family and me to take pictures. Your kindness and support are greatly appreciated.

- Nicole Turkiela and Family

Dear Mayor Fouts,

Thank you for the experience of seeing and hearing the accomplishments of volunteers. Their stories were uplifting. Indeed, they

had reached “the second mountain” reaching out to help others. A wonderful, positive goal for all of us! From young people to senior citizens; not limited by, handicaps, or age; from schools, churches, hospitals, organizations.....we live and touch others lives through our caring.

- Dorothy Nowak

Mayor Fouts,

On behalf of our Fire Department, I would like to thank you for taking time out of your hectic schedule just to spend a couple hours with our Fire Department. I believe it's nice to hear in person that you have our department's back and still support our medic program. I know certain individuals would much rather get rid of 18 firefighters/ AEMTs because they believe the fire department budget is bleeding the city. I know the Warren Fire Department has saved many lives and protected millions of dollars in property damage since you have become mayor.

- David Evans, WFD

Dear Mayor Fouts,

You have made a difference in the situation we were having with our neighbor. Things seem to be getting better. My husband and I are very appreciative and so grateful to you. Thank you for the kindness and concern. We pray and hope you are having a good day!

- Albert and Rebecca Alcini

Mayor Fouts,

I wanted to let you know that you are always welcome at any of our events; I will put you on our event list. After the wonderful "Meet the Mayor" fundraiser you arranged for us last November, we consider you a real friend. After the event, I was writing you a thank you letter but was told others were doing that for me. But I always thought I should have sent a personal letter. Actually, my husband and son also often mention how they are sorry we did not settle in Warren so that we could vote for you. We love how you not only changed Warren for the better, but have kept it a vibrant and welcoming city.

- Kathy Goodrich

Dear Mayor Fouts and Office Staff of the Mayor,

Thank you for mailing me the Outstanding Volunteer Award booklet. Sorry I was unable to attend because my wife was in the hospital and now I am attending to her recovery needs.

- Robert Kraft

Dear Mayor Fouts,

Thank you for your messages yesterday and today. I had also left a message for you last night. After sending my email this morning, I was contacted by Police Commissioner Bill Dwyer and Captain Larry. Commissioner Dwyer told me that he had already been in touch with the City Attorney and that police officers were being sent over to the house. Captain Larry stated that the house will be boarded today at 3 pm, and he also gave me a 24 hour watch number to call. So it appears that we may be all set for now; we will certainly reach out to the PD if we have any more issues. Thank you for your attention in the matter and I hope this means a closed case. Also, thank you for sending my email to Commissioner Dwyer; he was very prompt, professional and kind regarding the situation.
