Cash Deposit Amount: _____ Surety Bond Amount: **\$5,000.00**

The applicant acknowledges all construction performed relative to this permit will be in conformance with City of Warren standards and specifications.

The applicant agrees to abide by all conditions set forth in the City of Warren Application and Permit Supplemental Specifications. The Supplemental Specifications can be obtained at the City of Warren Engineering Division.

The applicant is required to contact the Engineering Division at least one business day prior to commencement of all construction operations relative to this permit at (586) 759-9300.

A permit requested in the foregoing application subject to the conditions to which applicant therein agrees, is hereby granted for the period commencing _____ and ending _____. This permit covers activity within the right-of-way, within utility easement(s), and on private property as outlined in the project details. The obligation to operate, use and/or maintain the facility to the satisfaction of the City of Warren remains in force as long as the facility exists, and within an area under the jurisdiction of the City of Warren.
