For those wishing to visit Santa, please support our local food banks and bring a canned food. I hope you, your family, neighbors and friends will attend.

The following is a letter I received from The Rainbow Connection for our fundraising efforts for this great organization:

James R. Fouts

Warren Mayor

Dear Mayor Fouts,

Thank you for hosting your State of the City address to raise funds for The Rainbow Connection. This event netted a total of \$4,615 to grant wishes for Michigan children with life threatening medical conditions.

You have given hope to children like Emma, a 6-year old diagnosed with a form of brain cancer. After many months of treatment, she was ready to go on her wish trip to Disney World. Emma's mom shares this:

From the limo that took us to and from the airport, to most amazing accommodations at Give Kids The World and red carpet treatment at Disney World; it was so special to see Emma smiling so much all week. She was back to her old carefree self that she was prior to her treatment.

Thank you for your partnership in our ongoing mission to grant wishes to Michigan children with life-threatening medical conditions.

-- George Miller, Executive Director

To me, this letter expresses what the spirit of giving is all about, and special thanks goes to all who attended the 2019 State of the City address.

If we made this holiday season a little brighter for these children, then all of us can feel a greater sense of satisfaction. Merry Christmas and Happy New Year!

CITY SNOW ALERT POLICY

- The Mayor declares a snow alert.
- The snow alert is announced on radio and TV broadcasts, TV Warren and the city's website: www.cityofwarren.org.
- Within six hours after the Mayor's snow alert announcement, all motor vehicles and trailers **MUST** be removed from any city street.
- Vehicles which have a license plate or properly placed placard designating the vehicle for disabled parking are **EXEMPT** from the parking restriction.
- Those vehicles with disabled parking license plates or placards should be parked **AS CLOSE TO THE CURB AS POSSIBLE**.
- Once a street is cleared of snow or ice for the **ENTIRE LENGTH** of the street, snow alert parking is lifted.

CITY SIDEWALK SNOW REMOVAL POLICY

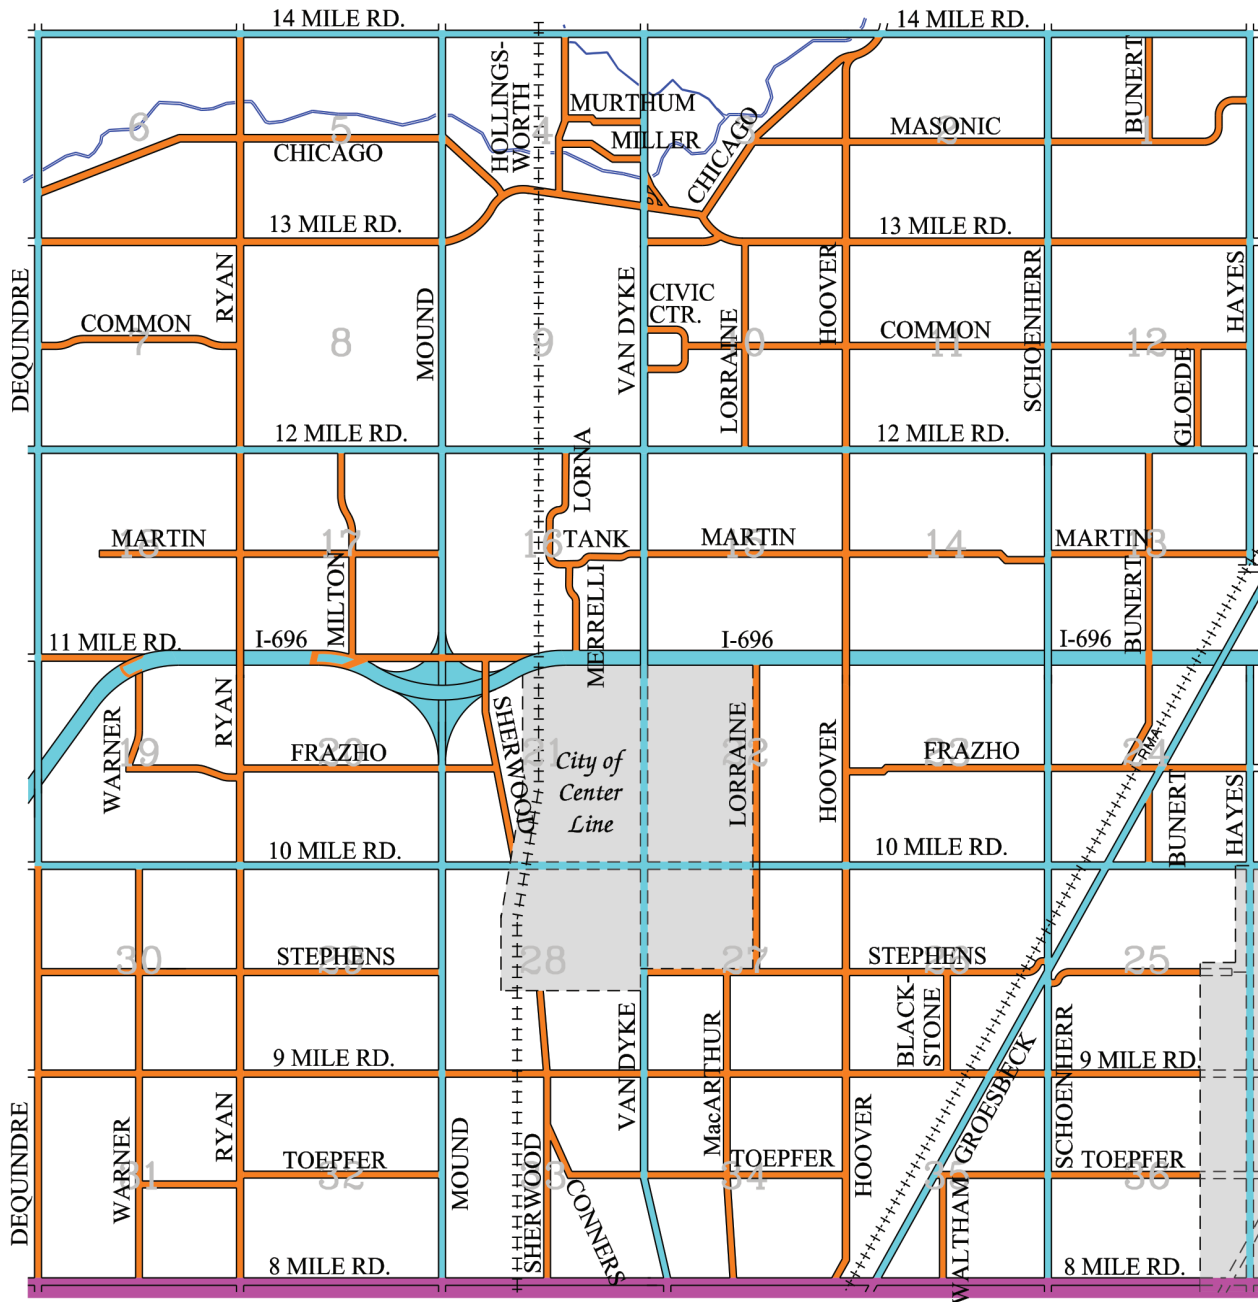

Warren City ordinances require that all property owners remove snow from their sidewalks within 12 hours after the snow stops. This applies to all property owners, residential, commercial and industrial.

Citations may be issued to violators with fines up to \$1,000.

Warren Code of Ordinances, Section 34-60: "The occupant of any premises, or owner of any unoccupied premises, is required to keep the sidewalks in front of or adjacent to such premises cleared, so far as is practicable and reasonable, from snow and ice to facilitate pedestrian use."

"Where there is no sidewalk, the occupant or owner shall clear a path free from snow and ice where sidewalk would otherwise be to facilitate pedestrian use. Whenever any snow or ice has fallen or accumulated, it shall be cleared within 12 hours after it has fallen or accumulated."

Don't Get Scammed!

The IRS urges taxpayers not to fall victim to tax scams. If it sounds too good to be true, it probably is.

The Attorney General warns residents of scammers posing as IRS representatives.

If anyone calls you claiming to work for the agency and begins asking you for personal information, it is a scammer.

The IRS will never:

- Call you and demand immediate payment.
- Demand payment without any chance to appeal or question the amount owed.
- Threaten to have you arrested.
- Require a specific payment method, such as prepaid debit card or wire transfer.
- Ask for your bank account number.

These scams also come by way of email. Here are some common email tricks used by these scammers:

- False claims that you are due a refund.
- Offers to track your refund.
- False notices that your tax return will be audited.
- Fake links to tax law changes.

All of these scams are intended to lure you into giving these con artists your personal information so they can steal your money, take control of your computer or commit identity theft. Remember, the IRS will never call or email you and ask for this information. Do not be fooled.

Cold Weather Pet Safety

Tips from the Warren Animal Welfare Commission

If it's too cold for you, it's probably too cold for your pet, so keep your animals inside! Like people, cats and dogs can also get frostbite and hypothermia. No pet should be left outside for long periods of time in below-freezing weather.

If you are unable to keep your dog inside during cold weather, provide him/her with a warm shelter against wind. Make sure they have access to non-frozen water. The floor of the shelter should be off the ground to minimize heat loss and the bedding should be thick, dry and changed regularly to provide a warm, dry environment.

Be sure to check your dog's paws for signs of cold-weather injuries, such as cracked paw pads or bleeding. Massaging petroleum jelly into the paw pads before going outside can help protect from salt and chemicals.

Before starting your car in the winter, remember that a warm vehicle engine can be an appealing heat source for outdoor and feral cats. Check underneath your car, bang on the hood or honk the horn before starting the engine to encourage cats to leave the car.

If you see a pet left outside in cold weather for an extended period, contact Warren Animal Control at 586-574-4700.

Keeping Animals Away from Abusers

There has been a recent spike in animal cruelty cases in Macomb, with complaints up 76%, from 21% reported from 2015-17 to 38% reported since 2017.

In response, county officials have created what is believed to be the first multi-jurisdictional animal abuse prevention task force in Michigan, named the Protecting Animal Welfare & Safety Task Force, or P.A.W.S.

We owe it to our furry friends to do everything we can to protect them from fighting rings and being used by those who intend to do harm. If you witness or suspect an animal is being abused or neglected, please say something. Call the P.A.W.S. Task Force at (586) 469-6701.

We have no room for animal cruelty in Macomb County.
