Absent Voter Permanent Ballot List Request

As part of the passage of Proposal 22-2 in 2022, the permanent absentee **BALLOT LIST** allows the Clerk to send you an absentee ballot prior to each election. You will NOT receive an application for the ballot—just the ballot when they become available.

It is the responsibility of voters to notify the Clerk’s office if they are going to be vacationing or at a temporary different address, two months prior to an election, and give the temporary ballot mailing address to be used.

If you wish to be added to the list, please fill out the form below and return it to the above address either by email, regular mail, or by dropping it off to the office personnel.
