### Congratulations to the 2024 Officers of the Year

Three Warren officers were recently recognized for their acts of heroism. Cpl. Det. Dan Rose and Officer David Chapman saved an eight-year-old boy's life by pulling him out from under a live wire.

Officer Brendan Fraser stopped a motorist driving erratically during rush hour traffic only to find a mother holding an unresponsive baby. Fraser grabbed the baby and immediately began administering back blows until the baby started breathing again.

Congratulations to Cpl. Det. Dan Rose, Officer Brendan Fraser, and Officer David Chapman for their outstanding work!

### Warren Fire Department Receives \$455,000 Equipment Grant to Enhance Firefighter Safety

The Warren Fire Department has been awarded an Equipment Grant of \$455,000 by the Michigan Department of Labor and Economic Opportunity. This grant will purchase 130 sets of Turn Out Gear, including pants, coats, and boots for the emergency response division.

This vital equipment upgrade aims to enhance the health and safety of firefighters by ensuring they have an alternative set of gear available to use while their primary gear is undergoing cleaning and decontamination after exposure to hazardous substances and carcinogens from fire emergencies or chemical contaminants from incidents.

Commissioner Wilburt McAdams of the Warren Fire Department expressed gratitude for the grant, stating, "We are deeply thankful for the support from the Michigan Department of Labor and Economic Opportunity. This grant not only bolsters our capability to protect our firefighters but also reinforces our commitment to providing the best possible safety measures for our team. It's a clear indication of the value placed on the welfare of those who risk their lives to keep our community safe."
